

Each year at LCC, we have a Commitment Sunday to renew our commitments to God and to each other. What did you think about this year's Commitment Sunday?

Snapshots of Our Committed Savior

For each passage, describe the kind of commitment Jesus is making.

Matthew 3:13-17

Luke 9:51

Mark 14:33-36

Matthew 28:19-20

What does it mean to you that Jesus is fully committed to never leave his followers?

Supporting Each Other

Did you make a commitment on Sunday? Share with the group what commitment you made. What about that commitment scares and/or excites you?

What about commitments as a group? Take some time to brainstorm and decide some group answers to these questions:

- ▶ How will we worship together and/or encourage each other to worship?
- ▶ How will we grow together and/or encourage each other to grow?
- ▶ How will we love one another and/or encourage each other to be loving?
- ▶ How will we serve together and/or encourage each other to serve?
